

Spartan Chemical Company, Inc. Material Safety Data Sheet

SECTION I: PRODUCT INFORMATION

Product Name or Number (as it appears on label):

CONSUME MICRO-MUSCLE

Spartan Chemical Company, Inc.

Product Number: 3497

1110 Spartan Drive Maumee OH 43537 Product Division: **Janitorial**

Product/Technical Information: 1-(800)-537-8990

Medical Emergency: 1-(888)-314-6171 (24 hours)

Chemical Leak/Spill Emergency: CHEMTREC 1-(800) 424-9300 (24 hours)

Shipping Description: Non-Hazardous Products

NFPA Ratings:	HMIS Ratings:
Health: 1- Slight	Health: 1- Slight
Fire: 0 - Minimal	Fire: 0 - Minimal
Reactivity: 0 - Minimal	Reactivity: 0 - Minimal
	Pers. Prot. Equip.: See Section VIII

SECTION II: HAZARDOUS INGREDIENTS

(Listed when present at 1% or greater, carcinogens at 0.1% or greater) All component chemicals are listed or exempted from listing on the "TSCA Inventory" of chemical substances maintained by the U.S. Environmental Protection Agency.

				Table Z-1-A		
Chemical Name(s)	%Wt	CAS Registry No.	TWA mg/m³	STEL mg/m³	CEILING mg/m³	NTP, IARC or OSHA Carcinogen
Sodium tripolyphosphate	1-5	7758-29-4	Not Established	Not Established	Not Established	No
Quaternary amine	1-5	68478-94-4	Not Established	Not Established	Not Established	No
Alcohol ethoxylate	1-5	34398-01-1	Not Established	Not Established	Not Established	No
Bacterial spores (Bacillus species)	NA	NA	Not Established	Not Established	Not Established	No

SECTION III: PHYSICAL DATA

Boiling Point: 212 °F	Vapor Pressure: Unknown
Vapor Density (AIR = 1): Unknown	Solubility in Water: Complete
pH: 8.5-9.5	Specific Gravity (H ₂ O=1): 1.02 @ 75 F (8.49 lbs/gal.)
Evaporation Rate (but.ace.=1): <1	Percent Solid by Weight: 5-10 %
Physical State: Liquid	
Appearance & Odor: Light green liquid, mild odor.	

SECTION IV: FIRE & EXPLOSIVE HAZARD DATA

Flash Point: >200 °F	Method Used: Estimate
Flammable Limits: Not Established	Flame Extension: N/A
Extinguishing Media: Carbon dioxide, dry chemical, synthe	tic foam or water.
Special Fire Fighting Procedures: Use self-contained breathing apparat	us for maximum respiratory protection. Water may be used to cool

Unusual Fire & Explosive Hazards: NA

ECTION V: HEALTH HAZARD DATA		1
Threshold Limit Value:		Primary Routes of Entry: Inhalation, Skin Contact, Eyes; Or
		otoms may include pain, redness and swelling.
Conditions to Avoid:		ny include abdominal pain and diarrhea.
	Inhalation of product mist may cause	e bacteria in this product may cause infection if introduced into an
	open wound, broken skin or mucous	
		clothing. Do not swallow. Avoid breathing product mist. Avoi
	contact with open wounds, broken sk	
Conditions Aggravated by Use:	dermatitis. Individuals with impaired	reexisting skin; eye and respiratory disorders including asthma and immune systems or function may be especially susceptible to
	infection by microorganisms including	g the bacteria used in this product.
mergency & First Aid Procedures:		
Eyes:	Flush eyes with water for at least 15 r	minutes. Remove contact lenses. Get medical attention.
Skin:	Remove contaminated clothing. Wash skin thoroughly with soap and water. Apply topical antiseptic agent to open wounds or broken skin. Get medical attention if irritation persists. Wash contaminated	
	clothing before reuse.	
		ed by physician or poison control center. Drink one or two glasses of
Ingestion:	Do not induce vomiting unless advise	ed by physician or poison control center. Drink one or two glasses of
Ingestion:	_	
Inhalation:	water to dilute product. Get medical a Move person to fresh air. Get medial	attention. Never give anything by mouth to an unconscious person attention if irritation persists.
Inhalation: CCTION VI: REACTIVITY DATA Stability:	water to dilute product. Get medical and Move person to fresh air. Get medial Stable	attention. Never give anything by mouth to an unconscious person attention if irritation persists. Incompatible Materials: Strong oxidizers
Inhalation: CCTION VI: REACTIVITY DATA Stability:	water to dilute product. Get medical and Move person to fresh air. Get medial Stable	attention. Never give anything by mouth to an unconscious person attention if irritation persists.
Inhalation: CTION VI: REACTIVITY DATA Stability: Hazardous Decomposition Products:	water to dilute product. Get medical a Move person to fresh air. Get medial Stable Carbon monoxide, Carbon dioxide	attention. Never give anything by mouth to an unconscious person attention if irritation persists. Incompatible Materials: Strong oxidizers
Inhalation:	water to dilute product. Get medical a Move person to fresh air. Get medial Stable Carbon monoxide, Carbon dioxide	attention. Never give anything by mouth to an unconscious person attention if irritation persists. Incompatible Materials: Strong oxidizers
Inhalation: CCTION VI: REACTIVITY DATA Stability: Hazardous Decomposition Products: CCTION VII: SPILL OR LEAK PROC Steps to be Taken in Case	water to dilute product. Get medical at Move person to fresh air. Get medial Stable Carbon monoxide, Carbon dioxide EDURES Small spills of one gallon or less may	attention. Never give anything by mouth to an unconscious person attention if irritation persists. Incompatible Materials: Strong oxidizers Hazardous Polymerization: Will Not Occur be flushed with plenty of water to sanitary sewer system (If Dike and contain large spills with inert material and transfer liquid
Inhalation: ECTION VI: REACTIVITY DATA Stability: Hazardous Decomposition Products: ECTION VII: SPILL OR LEAK PROC Steps to be Taken in Case Material is Released or Spilled:	water to dilute product. Get medical at Move person to fresh air. Get medial Stable Carbon monoxide, Carbon dioxide EDURES Small spills of one gallon or less may permitted by local sewer regulations) to containers for disposal. Keep spill	attention. Never give anything by mouth to an unconscious person attention if irritation persists. Incompatible Materials: Strong oxidizers Hazardous Polymerization: Will Not Occur be flushed with plenty of water to sanitary sewer system (If Dike and contain large spills with inert material and transfer liquid
Inhalation: CTION VI: REACTIVITY DATA Stability: Hazardous Decomposition Products: CTION VII: SPILL OR LEAK PROC Steps to be Taken in Case Material is Released or Spilled: Waste Disposal Method:	water to dilute product. Get medical a Move person to fresh air. Get medial Stable Carbon monoxide, Carbon dioxide EDURES Small spills of one gallon or less may permitted by local sewer regulations) to containers for disposal. Keep spill Dispose of in compliance with all federal	attention. Never give anything by mouth to an unconscious person attention if irritation persists. Incompatible Materials: Strong oxidizers Hazardous Polymerization: Will Not Occur be flushed with plenty of water to sanitary sewer system (If Dike and contain large spills with inert material and transfer liquid out of storm sewers and waterways.
Inhalation: CTION VI: REACTIVITY DATA Stability: Hazardous Decomposition Products: CTION VII: SPILL OR LEAK PROC Steps to be Taken in Case Material is Released or Spilled: Waste Disposal Method: CTION VIII: SPECIAL PROTECTION	water to dilute product. Get medical a Move person to fresh air. Get medial Stable Carbon monoxide, Carbon dioxide EDURES Small spills of one gallon or less may permitted by local sewer regulations) to containers for disposal. Keep spill Dispose of in compliance with all federal	attention. Never give anything by mouth to an unconscious person attention if irritation persists. Incompatible Materials: Strong oxidizers Hazardous Polymerization: Will Not Occur be flushed with plenty of water to sanitary sewer system (If Dike and contain large spills with inert material and transfer liquid out of storm sewers and waterways.
Inhalation: CTION VI: REACTIVITY DATA Stability: Hazardous Decomposition Products: CTION VII: SPILL OR LEAK PROC Steps to be Taken in Case Material is Released or Spilled: Waste Disposal Method: CTION VIII: SPECIAL PROTECTIO Respiratory Protection:	water to dilute product. Get medical a Move person to fresh air. Get medial Stable Carbon monoxide, Carbon dioxide EDURES Small spills of one gallon or less may permitted by local sewer regulations) to containers for disposal. Keep spill Dispose of in compliance with all feder IN INFORMATION Not required with normal usage.	attention. Never give anything by mouth to an unconscious person attention if irritation persists. Incompatible Materials: Strong oxidizers Hazardous Polymerization: Will Not Occur be flushed with plenty of water to sanitary sewer system (If Dike and contain large spills with inert material and transfer liquid out of storm sewers and waterways. eral, state and local laws and regulations.
Inhalation: CCTION VI: REACTIVITY DATA Stability: Hazardous Decomposition Products: CCTION VII: SPILL OR LEAK PROC Steps to be Taken in Case Material is Released or Spilled: Waste Disposal Method: CCTION VIII: SPECIAL PROTECTIO Respiratory Protection:	water to dilute product. Get medical a Move person to fresh air. Get medial Stable Carbon monoxide, Carbon dioxide EDURES Small spills of one gallon or less may permitted by local sewer regulations) to containers for disposal. Keep spill Dispose of in compliance with all feder IN INFORMATION Not required with normal usage.	attention. Never give anything by mouth to an unconscious person attention if irritation persists. Incompatible Materials: Strong oxidizers Hazardous Polymerization: Will Not Occur be flushed with plenty of water to sanitary sewer system (If Dike and contain large spills with inert material and transfer liquid out of storm sewers and waterways.
Inhalation: CCTION VI: REACTIVITY DATA Stability: Hazardous Decomposition Products: CCTION VII: SPILL OR LEAK PROC Steps to be Taken in Case Material is Released or Spilled: Waste Disposal Method: CCTION VIII: SPECIAL PROTECTION Respiratory Protection: Ventilation:	water to dilute product. Get medical a Move person to fresh air. Get medial Stable Carbon monoxide, Carbon dioxide EDURES Small spills of one gallon or less may permitted by local sewer regulations) to containers for disposal. Keep spill Dispose of in compliance with all feder IN INFORMATION Not required with normal usage. Provide good general ventilation. Lo	attention. Never give anything by mouth to an unconscious person attention if irritation persists. Incompatible Materials: Strong oxidizers Hazardous Polymerization: Will Not Occur be flushed with plenty of water to sanitary sewer system (If . Dike and contain large spills with inert material and transfer liquid out of storm sewers and waterways. eral, state and local laws and regulations.

Precautions; Handling & Storing: Wash thoroughly with soap and water after handling. Keep out of reach of children. Other Precautions: Do not use this product on food contact surfaces in preparation or storage areas. Do not use this product on food utensils; dishes or glasses.
