## Section 3. Hazards Identification

|                                            |                                       |
|--------------------------------------------|---------------------------------------|
| Routes of Entry                            | Eye contact. Inhalation. Skin contact |
| Potential Acute Health Effects             |                                       |
| Eyes                                       | None known.                           |
| Skin                                       | None known.                           |
| Inhalation                                 | None known.                           |
| Ingestion                                  | None known.                           |
| Medical Conditions                         | None known.                           |
| Aggravated by Overexposure:                |                                       |
| See Toxicological Information (section 11) |                                       |

#### Section 4. First Aid Measures

|              |                                              |
|--------------|----------------------------------------------|
| Eye Contact  | Rinse with plenty of running water.          |
| Skin Contact | Rinse with plenty of running water.          |
| Inhalation   | No specific first aid measures are required. |
| Ingestion    | No specific first aid measures are required. |

#### Section 5. Fire Fighting Measures

|                                               |                                                                                                                                     |
|-----------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| Flammability of the Product                   | None known.                                                                                                                         |
| Flash Points                                  | Closed cup: 43.889°C (111°F).                                                                                                       |
| Products of Combustion                        | When exposed to fire: Produces normal products of combustion.                                                                       |
| Fire Fighting Media and Instructions          | Extinguish with water spray or carbon dioxide, dry chemical powder or appropriate foam. Normal fire fighting procedure may be used. |
| Special Remarks on Fire and Explosion Hazards | Flammable solid. Material may burn in heat of fire.                                                                                 |

#### Section 6. Accidental Release Measures

|                                                |                                                                                                                                                                                                                                                |
|------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Personal Precautions                           | Put on appropriate personal protective equipment (see Section 8).                                                                                                                                                                              |
| Environmental Precautions and Clean-up Methods | In the event of major spillage: Use appropriate containment to avoid environmental contamination. Sweep or scrape up material. Place in suitable clean, dry containers for disposal by approved methods. Use a water rinse for final clean-up. |

#### Section 7. Handling and Storage

|          |                                                                                                                                                                           |
|----------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Handling | WARNING: FLAMMABLE SOLID. Keep away from heat, sparks and flame. Use with adequate ventilation. Avoid contact with skin and eyes. FOR COMMERCIAL AND INDUSTRIAL USE ONLY. |
| Storage  | Store in a dry, cool and well-ventilated area. Keep away from heat, sparks and flame. KEEP OUT OF REACH OF CHILDREN.                                                      |

#### Section 8. Exposure Controls/Personal Protection

|                      |                                                                            |
|----------------------|----------------------------------------------------------------------------|
| Engineering Controls | No special ventilation requirements. General room ventilation is adequate. |
| Personal Protection  |                                                                            |
| Eyes                 | No special requirements under normal use conditions.                       |
| Hands                | No special requirements under normal use conditions.                       |
| Respiratory          | No special requirements under normal use conditions.                       |
| Feet                 | No special requirements under normal use conditions.                       |
| Body                 | No special protective clothing is required.                                |

#### Section 9. Physical and Chemical Properties

|                               |                 |
|-------------------------------|-----------------|
| Physical State and Appearance | Solid. (Paste.) |
| Odor                          | Characteristic. |
| Color                         | Opaque Orange.  |
| pH                            | Not applicable. |
| Specific Gravity              | 0.8             |
| Solubility in water           | Negligible.     |

### Section 10. Stability and Reactivity

|                                         |                                                               |
|-----------------------------------------|---------------------------------------------------------------|
| Stability and Reactivity                | The product is stable.                                        |
| Conditions of Instability               | Excessive heat.                                               |
| Incompatibility with Various Substances | Not available.                                                |
| Hazardous Decomposition Products        | When exposed to fire: Produces normal products of combustion. |
| Hazardous Polymerization                | Will not occur.                                               |

### Section 11. Toxicological Information

|                             |                                            |
|-----------------------------|--------------------------------------------|
| Acute toxicity              | ORAL (LD50) Greater than 5000 mg/kg (rat). |
| Effects of Chronic Exposure | None known.                                |
| Other Toxic Effects         | Not available.                             |

### Section 12. Ecological Information

Not available.

### Section 13. Disposal Considerations

|                   |                                                                                                                                                                     |
|-------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Waste Information | Undiluted product is regulated under environmental and transportation laws as an ignitable waste. Dispose of according to all federal, state and local regulations. |
|-------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|

### Section 14. Transport Information

#### DOT Classification

|                          |                                                                                             |
|--------------------------|---------------------------------------------------------------------------------------------|
| DOT Proper Shipping Name | Please refer to the Bill of Lading/receiving documents for up to date shipping information. |
|--------------------------|---------------------------------------------------------------------------------------------|

#### TDG Classification

|                          |                                                                                             |
|--------------------------|---------------------------------------------------------------------------------------------|
| TDG Proper Shipping Name | Please refer to the Bill of Lading/receiving documents for up to date shipping information. |
