

Regulatory Assessment Document-APAC & LATAM

Preparation date: 2005-01-14
Version Number: 1

General Formula Information:

Product name: Crew Neutral Toilet Bowl Cleaner
Alternate Product Names: Crew Neutral NA Non-Acid Bowl & Bathroom Disinfectant Cleaner
Formulation Reference: 114568001
GPS Clearance Reference: NA
Product Category: Industrial/Institutional.

Reason for Request: APAC QSR Program.

Regulatory Assessment Document Overview:

This document provides a product regulatory compliance review including label recommendations (according to EU Legislation) and Global chemical inventory data for use in Asia-Pacific & Latin America. The EU Labeling Legislation was chosen as a Global standard, which has been incorporated into local laws/ guidelines prescribed in Asia-Pacific and Latin America (South American countries). The Global chemical inventory review is based on formula & supplier information provided by the formulator (raw materials and/or supplier changes may require further compliance review).

This regulatory document should be used by Technical Managers as a tool to comply with local regulations. Local legislation may take precedence over the hazard labeling listed and may include additional chemical restrictions (i.e. Banned/ Poison Lists). Certain countries may require formal product registration and/or import licenses to sell/ import this product.

Label Recommendations:

The product is non-dangerous in accordance with Directive 1999/45/EC.

Indication of danger:

Not dangerous goods

Risk Phrases:

Additional Warning Phrases:

Safety data sheet available for professional user on request.
