# Safety Data Sheet 1130BR

## 1 Material and Supplier Indentification

| Product Name:                                     | Scale Remover   |  |
|---|---|--|
| Description:                                      | Heavy Duty Lime and Scale Remover   |  |
| Recommended use of the chemical and restrictions: | Use only for the purpose on product label. This product is not intended to be used without prior dilution if specified on product label.  |  |
| Supplier's Information:                           | <b>Brady Industries</b><br>7055 Lindell Rd<br>Las Vegas, NV 89118<br>800-293-4698 (Customer Service)  |  |
| Emergency Telephone:                              | (800) 255-3924 USA (813)248-0585 International (Chemtel 24 hrs)   |  |
| 2 Hazards Identification                          |   |  |
| Classification of Mixture:                        | Serious Eye Damage: Category 1 Pictogram<br>Skin Corrosion: Category 1C   |  |
|   |   |  |
| Signal Word:                                      | DANGER  |  |
| Hazard Statements:                                | Causes severe skin burns and eye damage.  |  |
| Precautionary Statements                          |   |  |
| General:  | KEEP OUT OF REACH OF CHILDREN. Read label before use.   |  |
| Prevention:                                       | Do not breathe vapors. Wash hands thoroughly after handling. Wear protective gloves and eye protection.   |  |
| Response:   | IF ON SKIN: Take off contaminated clothing and wash before reuse. Rinse skin with<br>water. If skin irritation persists: Get medical attention.<br>IF IN EYES: Rinse cautiously with water for several minutes.Remove contact lenses, if<br>present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention.<br>IF INHALED: Remove person to fresh air and keep comfortable for breathing. If problem<br>persists, call a Poison Center or get medical attention.<br>IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. Get medical attention<br>immediately. |  |

#### **3 Composition/Information on Ingredients**

#### Hazardous Ingredients

Phosphoric Acid

CAS Number 7664-38-2 Concentration Range % 25-35

| 4 First Aid Measures | 3   |
|----------------------|---|
| Eye Contact:         | Flush eyes with water for 15 minutes. Remove contact lenses if any.   |
| Skin Contact:        | Contact with concentrate may be an irritant to sensitive skin. If spilt in large areas of skin, rinse immediately with water and remove clothing. Wash skin thoroughly with soap and water. |
| Inhalation           | If discomfort is experienced after prolonged exposure to vapors, move person to fresh air.<br>Get medical attention if irritation persists.   |
| Ingestion:           | Get medical attention immediately. Rinse mouth with water. Do NOT induce vomiting. Drink glass of water to dilute product.  |

| 5 Firefighting Measures  |  |
|--|--|
| Suitable Extinguishing Media:                                      | Water spray, normal foam, dry agent (carbon dioxide, dry chemical powder.)   |
| Specific Hazards arising from the Chemical:                        | In a fire or if heated, a pressure increase will occur and the container may burst.<br>Combustion products may include and are not limited to nitrogen oxides, carbon<br>monoxide, and carbon dioxide.                   |
| Specific Protective Equipment<br>and Precautions for Firefighters: | Firefighters should wear NIOSH approved self-contained breathing apparatus and protective clothing. If safe to do so, remove containers from path of fire. If involved in a fire, keep containers cool with water spray. |

#### 6 Accidental Release Measures

| Emergency Procedures:                          | Keep area clear of personnel until area has been properly cleaned.  |
|--|---|
| Personal Precautions/<br>Protective Equipment: | Slippery when spilt. To avoid accidents, clean up immediately and shut off source of leak, if safe to do so. Wear appropriate protective equipment to prevent any contamination of skin, eyes, and personal clothing. Provide sufficient ventilation.   |
| Environmental Precautions:                     | If contamination of sewers or waterways has occurred, advise local emergency services.  |
| Methods for Containment and<br>Cleaning Up:    | Contain spill with absorbent (soil, sand, or other inert material) or spill kit to prevent contamination of sewers or waterways. Neutralization agent is not recommended within building, as toxic vapors may be omitted. Properly dispose of used absorbents in accordance with local, state, and federal regulations. |

| 7 Handling and Storage  |   |
|---|---|
| Precautions for Safe Handling:                                  | Avoid skin and eye contact, inhalation and ingestion. Wash hands thoroughly after use. Keep out of reach of children.   |
| Conditions for Safe Storage,<br>Including an Incompatiibiities: | Store in cool, dry place and out of direct sunlight. Store away from source of heat or ignition. Do not mix with other chemicals. Keep container closed when not in use, and check regularly for leaks. |

See Section 10 for incompatible materials.

|                                      | Occulture about the sufficient t   |                               |                         |
| Appropriate engineering<br>controls: | Good ventilation should be sufficient to control worker exposure to airborne contaminants. |                               |                         |
| Personal Protection                  |  |                               |                         |
| Eye Protection:                      | Use protective glasses or safety gogg  | les if splashing or spray-ba  | ck is likely.           |
| Hand Protection:                     | Use protective gloves when used for p  | orolong periods or if skin se | nsitive                 |
|                                      | Use protective gloves when asca for p  |                               |                         |
| Skin Protection:                     | Use apron if splashing or spray-back i   | is likely.                    |                         |
|                                      |  |                               |                         |
| Respiratory Protection:              | Use in well ventilated areas or local ex   | xhaust ventilation when clea  | aning small spaces.     |
| Hygiene Measures:                    | Always wash hands after handling che   | emical products, and before   | e smoking, eating,      |
|                                      | drinking, or using the toilet. Wash cor storage and re-use.                                | ntaminated clothing or prote  | ective equipment before |

#### 9 Physical and Chemical Properties

| Physical State:<br>Color:<br>Odor:<br>pH: | Liquid<br>Yellow<br>Phosphoric Acid<br>1-2 | Specific Gravity:<br>Evapporation Rate:<br>Solubility in Water:<br>VOC (g/L): | 1.14<br>< 1<br>Complete<br>N/A | Vapour Pressure (mm Hg):<br>Vapour Density:<br>Freezing Point (°F):<br>Boiling Point (°F):<br>Flash Point (°F): | < 17 mm Hg<br>> 1<br>< 32<br>> 212<br>> 200 |
|---|--|---|--------------------------------|---|---|
|   |  | < means less than   | > m                            | eans greater than   |   |

**Note:** These physical data are typical values based on material tested but may vary from sample to sample. Typical values should not be construed as a guaranteed analysis of any specific lot or as specification items.

### **10 Stability and Reactivity**

| Reactivity:                         | No specific data  |
|-------------------------------------|---|
| Chemical Stability:                 | Stable  |
| Possibility of Hazardous Reactions: | Under normal conditions of storage and use, hazardous reactions will not occur.   |
| Conditions to Avoid:                | Avoid exposure to heat and light.   |
| Incompatible Materials:             | Slightly reactive or incompatible with oxidizers (e.g., bleach), strong acids (e.g., hydrochloric acid) and reactive metals (e.g., aluminum). |
| Hazardous Decomposition Products:   | Under normal conditions of storage and use, hazardous decomposition products should not be produced.  |
