2 Hazards Identification		Pictogram
	Eye Irritation: Category 2B	-
Classification of Mixture:	Eye Irritation: Category 2B	-
		No recogram
Signal Word:	WARNING	
Hazard Statements:	Causes eye irritation	
Precautionary Statements		
General:	KEEP OUT OF REACH OF CHILDREN. Read label be	efore use.
Prevention:	Wash hands thoroughly after handling.	
Response:	IF IN EYES: Rinse cautiously with water for several min present and easy to do. Continue rinsing. If eye irritatio IF INHALED: Remove person to fresh air and keep cor persists, call a Poison Center or get medical attention. IF SWALLOWED: Rinse mouth. Do NOT induce vomi immediately.	n persists: Get medical attention. nfortable for breathing. If problem
3 Composition/Information of	on Ingredients	

Hazardous Ingredients

Sodium Dodecylbenzenesulfonate

CAS Number 25155-30-0 Concentration Range % 1-10

4 First Aid Measures	6
Eye Contact:	Flush eyes with water for 15 minutes. Remove contact lenses if any.
Skin Contact:	Contact with concentrate may be an irritant to sensitive skin. If spilt in large areas of skin, rinse immediately with water and remove clothing. Wash skin thoroughly with soap and water.
Inhalation	If discomfort is experienced after prolonged exposure to vapours, move person to fresh air. Get medical attention if irritation persists.
Ingestion:	Get medical attention immediately. Rinse mouth with water. Do NOT induce vomiting. Drink glass of water to dilute product.

5 Firefighting Measures	
Suitable Extinguishing Media:	Water spray, normal foam, dry agent (carbon dioxide, dry chemical powder.)
Specific Hazards arising from the Chemical:	In a fire or if heated, a pressure increase will occur and the container may burst. Combustion products may include and are not limited to nitrogen oxides, carbon monoxide, and carbon dioxide.
Specific Protective Equipment and Precautions for Firefighters:	Firefighters should wear NIOSH approved self-contained breathing apparatus and protective clothing. If safe to do so, remove containers from path of fire. If involved in a fire, keep containers cool with water spray.

6 Accidental Release Meas	sures
Emergency Procedures:	Keep area clear of personnel until area has been properly cleaned.
Personal Precautions/ Protective Equipment:	Slippery when spilt. To avoid accidents, clean up immediately and shut off source of leak, if safe to do so. Wear appropriate protective equipment to prevent any contamination of skin, eyes, and personal clothing. Provide sufficient ventilation.
Environmental Precautions:	If contamination of sewers or waterways has occurred, advise local emergency services.
Methods for Containment and Cleaning Up:	Contain spill with absorbent (soil, sand, or other inert material) or spill kit to prevent contamination of sewers or waterways. Neutralization agent is not recommended within building, as toxic vapors may be omitted. Properly dispose of used absorbents in accordance with local, state, and federal regulations.

7 Handling and Storage	
Precautions for Safe Handling:	Avoid eye contact, inhalation and ingestion. Wash hands thoroughly after use. Keep out of reach of children.
Conditions for Safe Storage, Including an Incompatiibiities:	Store in cool, dry place and out of direct sunlight. Store away from source of heat or ignition. Do not mix with other chemicals. Keep container closed when not in use, and check regularly for leaks.

See Section 10 for incompatible materials.

Control Parameters:				
Hazardous Ingredients Sodium Dodecylbenzenesulfonate		<u>ACGIH TLV</u> N/A	<u>OSHA PEL</u> N/A	<u>NIOSH IDLH</u> N/A
,				
Appropriate engineering	Good ventilation sho	ould be sufficient to co	ontrol worker exposure t	to airborne contaminants
controls:				
Personal Protection				
Eye Protection:	Use protective glass	es or safety goggles	if splashing or spray-ba	ck is likely.
Hand Protection:	Use protective glove	es when used for prole	ong periods or if skin se	nsitive.
Skin Protection:	Use apron if splashi	ng or spray-back is lik	kely.	
Respiratory Protection:	Use in well ventilate	d areas or local exha	ust ventilation when clea	aning small spaces.
Hygiene Measures:	Always wash hands drinking, or using the storage and re-use.	after handling chemic e toilet. Wash contan	cal products, and before ninated clothing or prote	e smoking, eating, ective equipment before

Physical State: Color: Odor: pH:	Liquid Pink Almond 8-9.5	Specific Gravity: Evapporation Rate: Solubility in Water: VOC (g/L):	1.028 < 1 Complete <1	Vapour Pressure (mm Hg): Vapour Density: Freezing Point (°F): Boiling Point (°F): Flash Point (°F):	< 17 mm Hg > 1 < 32 > 212 > 200
