| Section 3. Hazards Identification  |   |  |
|--|---|--|
| Potential Acute Health<br>Effects  | Irritating to eyes and skin. Over exposure by inhalation May cause headache, dizziness an nausea. |  |
| Potential Chronic Health May aggravate existing respiratory conditions.  Effects |   |  |
| Carcinogenic Effects Not classified or listed by IARC, NTP, OSHA, EU and ACGIH.  |   |  |

| Section 4. First Aid Measures |  |  |  |
|-------------------------------|--|--|--|
| Eye Contact                   | Check for and remove any contact lenses. In case of contact, immediately flush eyes with plenty of water for at least 15 minutes. Cold water may be used. Get medical attention. |  |  |
| Skin Contact                  | In case of contact, immediately flush skin with plenty of water. Remove contaminated clothing and shoes. Cold water may be used. Wash clothing before reuse.                     |  |  |
| Inhalation                    | If inhaled, remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Get medical attention.                                   |  |  |
| Ingestion                     | Seek immediate medical attention. Do NOT induce vomiting unless directed to do so by medical personnel. Never give anything by mouth to an unconscious person.                   |  |  |

Ingestion

Contact a poison control center immediately for treatment adivce. Do not induce vomiting unless instructed to do so be poison control center or doctor. Take small sips of water if able to swallow. Do not give anything to by mouth to an unconscious person.

| Section 5. Fire Fighting Measures  |   |            |
|--|---|------------|
| Products of Combustion carbon oxides (CO, CO <sub>2</sub> ) nitrogen oxides (NO, NO <sub>2</sub> ) |   | , <u> </u> |
| Fire Fighting Media and Instructions   | SMALL FIRE: Use DRY chemical powder.  LARGE FIRE: Use water spray, fog or foam. Do not use water jet. |            |
| Special Remarks on Fire<br>Hazards   | Combustible when exposed to heat or flame.  |            |
| Special Remarks on<br>Explosion Hazards  | No additional remark,   |            |

| Section 6. Accidental Release Measures  |  |  |
|---|--|--|
| Small Spill and Leak  | Dilute with water and mop up, or absorb with an inert dry material and place in an appropriate waste disposal container. |  |
| Large Spill and Leak  Keep away from heat. Keep away from sources of ignition. Stop leak if without ris company's spill response procedures immediately. Keep people out of area appropriate personal protective equipment (see Section 8). Absorb with an inert maput the spilled material in an appropriate waste disposal. |  |  |
| Personal Protection in<br>Case of a Large Spill   | Splash goggies. Full suit. Boots. Gloves, Vapor respirator.  |  |

| Section 7. Handling and Storage |  |  |
|---------------------------------|--|--|
| Precautions                     | Keep away from heat. Do not ingest. Avoid contact with skin and eyes. Do not breathe gas/fumes/ vapor/spray. Wear suitable protective clothing. In case of insufficient ventilation, wear suitable respiratory equipment. Keep away from incompatibles such as exidizing agents, acids, alkalis. |  |
| Incompatibility                 | Highly reactive with oxidizing agents, acids. Reactive with alkalis.   |  |
| Storage                         | Keep container in a cool, well-ventilated area. Keep container tightly closed and sealed until ready for use. Avoid all possible sources of ignition (spark or flame). Keep away from direct sunlight or strong incandescent light.  |  |

| Section 8. Expos                    | ure Controls/Personal Protection  |
|-------------------------------------|---|
| Engineering Controls                | Provide exhaust ventilation or other engineering controls to keep the airborne concentration of vapors below their respective occupational exposure limits. Ensure that eyewash station and safety showers are proximal to the work-station location. |
| Personal Protection                 |   |
| Ey                                  | es Splash goggles.  |
| Во                                  | dy Long Sleeves and pants to avoid skin contact.  |
| Respirato                           | ry Vapor respirator. Be sure to use an approved/certified respirator or equivalent. Wear appropriate respirator when ventilation is inadequate.   |
| Han                                 | ds Gloves,  |
| Protective Clothing<br>(Pictograms) |   |
| Exposure Limits                     | See Section 2 For Applicable Exposure Limits  |

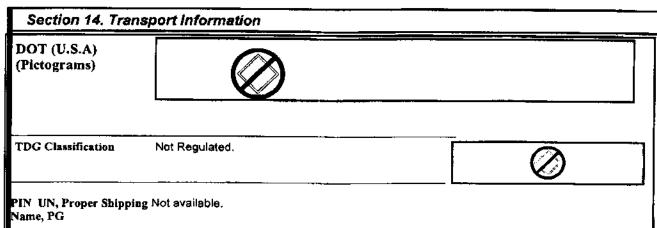

| · · · · · · · · · · · · · · · · · · ·                     |   |               |                |

| Explosion Hazards in<br>Presence of Various<br>Substances | Containers may explode when heate       | d             |                |

| Section 10. Stability and Reactivity Data  |  |  |  |
|--|--|--|--|
| Stability                                  | The product is stable.   |  |  |
| Incompatibility with<br>Various Substances | Highly reactive with oxidizing agents, acids. Reactive with alkalis. |  |  |
| Hazardous Decompositi<br>Products          | on Not available.  |  |  |

| Section 11. Toxica                                 | ological Information  |
|--|---|
| Routes of Entry                                    | Dermal contact. Eye contact. Inhalation. Ingestion.   |
| Toxicity to Animals                                | LD50: Not available.<br>LC50: Not available.  |
| Acute Effects on Humans                            |   |
| Eyes   | May cause severe eye irritation.  |
| Skin   | Imitating to skin. Skin inflammation is characterized by itching, scaling, reddening, or, occasionally, blistering. May cause skin sensitization.   |
| Inhalation   | Hazardous in case of inhalation. Initating to respiratory system. Causes sensitization by inhalation.   |
| Ingestion  | Hazardous in case of ingestion. Irritating to mouth, throat and stomach.  |
| Chronic Effects on<br>Humans                       | Severely irritating to the eyes. May aggravate existing skin conditions. May cause sensitization by skin contact. May aggravate existing respiratory conditions. May cause sensitization by inhalation. |
| Special Remarks on<br>Toxicity to Animals          | Not available.  |
| Special Remarks on<br>Chrouic Effects on<br>Humaus | Not available.  |

| Section 12. Ecolo                                       | gical Information |  |
|---|-------------------|--|
| Ecotoxicity   | Not available.    |  |
