**ENVIROx LLC**  
Material Safety Data Sheet

**SECTION I - Product Information**

**PRODUCT NAME: H<sub>2</sub>Orange, Grout Safe**

|                           |                                                                                     |
|---------------------------|-------------------------------------------------------------------------------------|
| Product Classification:   | Water Soluble Cleaner                                                               |
| Manufacturer: Envirox LLC | P. O. Box 2327, Danville, IL 61834-2327<br>1938 E. Fairchild St. Danville, IL 61832 |
| Telephone: 217-442-8596   | Emergency Telephone: 800-255-3926                                                   |

**SECTION II - Ingredients**

Hazardous Ingredients: Hydrogen Peroxide <6% - CAS No. 7722-84-1

**SECTION III - Fire and Explosion Hazard Data**

|                                        |                                 |
|----------------------------------------|---------------------------------|
| Flash Point:                           | None                            |
| Flammable Explosive Limits % by Volume | Lower: None<br>Upper: None      |
| Fire Extinguishing Media:              | CO <sub>2</sub> or Dry Chemical |
| Special Fire-Fighting Procedures:      | None known                      |
| Unusual Fire and Explosion Hazard:     | None known                      |

**SECTION IV - Physical Data**

|                      |                     |
|----------------------|---------------------|
| Boiling Point:       | 212 Deg. F.         |
| Specific Gravity:    | 1.019               |
| Solubility in Water: | Complete            |
| Melting Point:       | Unknown             |
| pH:                  | 3.81                |
| Appearance:          | Orange/Clear Liquid |
| Odor:                | Citrus              |

**SECTION V - Product Health Hazard Data**

|                                     |                                                                           |
|-------------------------------------|---------------------------------------------------------------------------|
| Principal Routes of Absorption:     |                                                                           |
| Inhalation -                        | Not Applicable                                                            |
| Ingestion -                         | May cause stomach upset                                                   |
| Skin -                              | May cause minor skin irritation if left on skin for long periods of time. |
| Eye -                               | May cause eye irritation.                                                 |
| Possible Symptoms of Overexposure:  | Dry skin                                                                  |
| Emergency and First Aid Procedures: |                                                                           |
| Inhalation -                        | Not Applicable                                                            |
| Ingestion -                         | Drink several glasses of water and consult a physician.                   |
