

## SAFETY DATA SHEET

---

### 1. Product and company identification

---

Product Name Hard Water Dish Machine Rinse - RH

UN/ID No. DOT (US): Not Regulated

#### Recommended use of the chemical

Recommended Use Rinse Additive for glasses, china and silverware

Print date: June 21, 2018

Responsible name: **HD Chem**  
707 W. 16<sup>th</sup> St., Long Beach, CA 90813 (888) 443-2436

In case of emergency: (888) 443-2436

Product type: Blend

---

### 2. Hazards identification

---

Appearance: Blue

Physical State: Liquid

Odor: Bland Odor

#### Classification

This mixture does not meet the criteria for GHS classification

#### Hazard Statement: Irritating to eyes

Potential acute health effects:

Eyes: Irritating to eye tissue

Skin: Irritating to tissue

Inhalation: May cause mild irritation of nose, throat, and respiratory tract

Ingestion: Can cause irritation, nausea, stomach distress, vomiting and diarrhea

#### Precautionary Statements – Preventions

Keep away from face, hands and any exposed skin when handling

Do not eat, drink or smoke when using this product

Use only outdoors or in a well-ventilated area

Do not breathe dust/fume/gas/mist/vapors/spray

Wear protective gloves/protective clothing/eye protection/face protection

#### Precautionary Statements – Response

Immediately call a POISON CENTER or doctor/physician

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do so.

Continue rinsing immediately call a POISON CONTROL or doctor/physician

IN ON SKIN (or hair): Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower

Wash contaminated clothing before reuse

IN INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing, immediately call a POISON CENTER or doctor/physician

### **Precautionary Statements – Storage**

Store locked up  
Store in a well-ventilated place. Keep container tightly closed  
Keep away from children

### **Precautionary Statements –Disposal**

Dispose of contents/container to an approved waste disposal plant

### **Other Hazards**

Overexposure: Repeated or prolonged contact with spray or mist may produce chronic eye irritation and severe skin irritation. Repeated skin exposure can produce local skin destruction or dermatitis

---

## **3. Composition/information on ingredients**

---

There are no ingredients present which, within the current knowledge of the supplier and in the concentrations applicable, are classified as hazardous to health or the environment and hence require reporting in this section

---

## **4. First aid measures**

---

<b>Eye contact:</b>	Check for and remove any contact lenses. Immediately flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids, Get medical attention immediately.
<b>Skin contact:</b>	In case of contact, immediately flush skin with plenty of water for at least 15 minutes while removing contaminated clothing and shoes. Wash clothing before reuse. Clean shoes thoroughly before reuse. Get medical attention immediately.
<b>Inhalation:</b>	Move exposed person to fresh air. If not breathing, if breathing is irregular or if respiratory arrest occurs, provide artificial respiration or oxygen by trained personnel. Loosen tight clothing such as a collar, tie, belt or waistband. Get medical attention.
<b>Ingestion:</b>	Wash out mouth with water. Do not induce vomiting unless directed to do so by medical personnel. Never give anything by mouth to an unconscious person. Get medical attention immediately.
<b>Protection of first-aiders;</b>	No action shall be taken involving any personal risk or with suitable training. It may be dangerous to the person providing aid to give mouth-to-mouth resuscitation.
<b>Note to physician</b>	No specific treatment. Treat symptomatically. Contact poison treatment specialist immediately if large quantities have been ingested or inhaled.

---

## **5. Fire-fighting measures**

---

<b>Flash point:</b>	N/A
<b>Flammability of the product:</b>	Auto ignition temperature
<b>Extinguishing media:</b>	Not applicable
<b>Suitable:</b>	Not applicable
<b>Non suitable:</b>	Not determined
<b>Special exposure hazards:</b>	Product is not flammable
<b>Hazardous thermal:</b>	None known
<b>Special protective equipment for fire-fighters:</b>	As in any fire, wear self –contained breathing apparatus pressure demand, MSHA/NIOSH (approved or equivalent and full protective gear).

---

## 6. Accidental release measures

---

<b>Personal precautions:</b>	Ensure adequate ventilation
<b>Environmental precautions:</b>	Try to prevent the material from entering drains or water courses
<b>Methods for containment</b>	Prevent further leakage or spillage if safe to do so.
<b>Small spill:</b>	Stop leak if without risk. Move container from spill area. Dilute with water and mop up if water-soluble or absorb with an inert dry material and place in an appropriate waste disposal container. Dispose of via a licensed waste disposal contractor.
<b>Large spill:</b>	Stop leak if without risk. Move container from spill area. Approach the release from upwind. Prevent entry into sewers, water courses, basement or confined areas. Wash spillage into an effluent treatment plant or proceed as follow. Contain and collect spillage with non-combustible, absorbent material e.g. and, earth, vermiculite or diatomaceous earth and place in container for disposal according to local regulations (see section 13). Dispose of via a license waste disposal contractor. Contaminated absorbent material may pose the same hazard as the spilled product. Note: see section 1 for emergency contact information and section n13 for waste disposal

---

## 7. Handling and storage

---

<b>Handling:</b>	Put on appropriate personal protective equipment (see section 8). Eating, drinking and smoking should be prohibited in areas where this material is handled, stored and processed. Workers should wash hands and face before eating, drinking and smoking. Do not ingest. Avoid contact with eyes, skin and clothing. Avoid breathing vapor or mist. Keep in the original container or an approved alternative made from a compatible material, kept tightly closed when not in use. Empty container retain product residue and can be hazardous. Do not reuse container.
<b>Storage</b>	Store in accordance with local regulations. Store in original container protected from direct sunlight in a dry, cool and well-ventilated area, away from incompatible materials (see section 10) and food and drink. Keep container tightly closed and sealed until ready to use. Containers that have been opened must be carefully resealed and kept upright to prevent leakage. Do not store in unlabelled containers. Use appropriate containment to avoid environmental contamination.

---

## 8. Exposure controls/personal protection

---

Consult local authorities for acceptable exposure limits.

<b>Engineering Controls</b>	<b>Apply technical measures to comply with the occupational exposure limits. Local exhaust ventilation recommended. Eye wash stations. Showers.</b>
-----------------------------	---

### Individual-protection measures, such as personal protective equipment

<b>Eye/Face Protection</b>	Safety glasses are suggested when using this product in heavy sue and institutional environments. Care should be taken to avoid eye contact.
<b>Skin and Body Protection</b>	Impervious rubber, alkali-proof protective gloves, impervious rubber boots and apron.
<b>Respiratory Protection</b>	If exposure limits are exceeded or irritation is experienced. NIOSH/MSGA approved respiratory protection should be worn. Positive-pressure supplied air respirators may be required for high airborne contaminant concentrations. Respiratory protection must be provided in accordance with current local regulations.
<b>General Hygiene considerations</b>	Practice good personal hygiene. Wash after handling. Shower at end of work

period. Practice good personal hygiene. Wash after handling.

---

## 9. Physical and chemical properties

---

Physical state	Liquid
Color	Blue
pH	5.5
Boiling/condensation point	212 <sup>0</sup> F
Vapor Pressure	Not Determined
Percent volative by weight	N/A
Specific Gravity	Approx. 1
Solubility	Complete
Percent solid by weight	26%
Evaporation (Butylacetate=1)	N/A

---

## 10. Stability reactivity

---

Stability	Stable
Hazardous polymerization	Will not occur
Conditions to avoid	None
Materials to avoid	None
Hazardous decomposition products	None

---

## 11. Toxicological information

---

### Acute toxicity

**Product Information:** Product does not present an acute toxicity hazard based on known or supplied information

### Chronic Toxicity

**Target organ Effects:** None known

---

## 12. Ecological information

---

### Ecotoxicity

The environmental impact of this product has not been fully investigated.

---

## 13. Disposal considerations

---

### **Waste disposal:**

The generation of waste should be avoided or minimized wherever possible. Empty containers or liners may retain some product residues. This material and its container must be disposed of in a safe way. Dispose of surplus and non-recyclable products via a license waste contactor. Disposal of this product, solutions and any by products should at all times comply with the requirements of environmental protection and waste disposal legislation and any regional local authority requirements. Avoid dispersal of spilled material and runoff and contract with soil, waterways, drains and sewers.

**Refer to Section 7: HANDLING AND STORAGE and Section 8: EXPOSURE/CONTROLS/PERSONAL PROTECTION** for additional handling information and protection of employees.

---

## 14. Transport information

---

DOT Classification	DOT (U.S.) Not regulated
--------------------	--------------------------

---

## 15. Regulatory information

---

State Regulations: California Proposition 65: This product is not regulated

---

## 16. Other information

---

<u>HMS</u>	Health Hazards	Flammability	Reactivity	Personal Protection
