Product:

N/C NO CHARGE® STATIC DISSIPATIVE FLOOR CLEANER

Product Number:

04014

Main Body:

***N/C* No Charge® Static Dissipative Floor Cleaner**

PRODUCT DESCRIPTION:

A specialty cleaning maintenance product formulated for use on flooring where static dissipative qualities are needed.

N/C No Charge **Static Dissipative Floor Cleaner** maintains static dissipative capacity with each cleaning. Created specifically for floors treated with *N/C No Charge* **Static Dissipative Floor Finish**. *N/C No Charge* **Floor Cleaner** will improve static dissipative properties of polymer type floor finishes and conductive floor tiles.

N/C No Charge **Static Dissipative Floor Cleaner** is a green detergent concentrate with a clean and fresh fragrance. Cleans efficiently without harmful residue.

N/C No Charge **Floor Cleaner** is formulated with dissipative agents that help to maintain properties existing on floors coated with *N/C No Charge* **Floor Finish**.

N/C No Charge **Floor Cleaner** is safe for use on conductive floor tiles and all other types of floors and finishes.

N/C No Charge **Floor Cleaner** does not streak, dull or haze floor finish when used as directed. No need to rinse, when accurate dilutions are used. Saves time and labor.

N/C No Charge **Floor Cleaner** cleans without leaving harmful residue that dulls surfaces and or impedes dissipation.

A floor finishes attractive attributes are actually extended when *N/C No Charge* **Floor Cleaner** is used on a regular basis. Phosphate free and biodegradable.

Directions for Use:

Some individuals may be sensitive to ingredients in this product. Before use, read product label and MSD Sheet. If questions remain, consult your employer or a physician.

Wet floors may be slippery. Prevent pedestrian traffic with signs or barricades.

Frequency of Use:

Light traffic floors should be cleaned at least two to three times a month. Floors with moderate to heavy traffic should be cleaned at least once a week.

Required Equipment:

- Broom and dust pan
- Clean untreated dust mop
- Clean bucket(s) and wringer
- Gloves
- Goggles

Always wear personal protective equipment

SINGLE BUCKET SYSTEM

1. Damp mop using a 1:64 dilution (2 ounces per gallon of water) of *N/C No Charge* Static Dissipative Floor Cleaner.
2. Start in the corner farthest from the door and mop toward the door.
3. For extremely dirty floors, begin mopping at the cleanest point and mop towards the dirtiest location.
4. Always use a clean mop.

DOUBLE BUCKET SYSTEM

1. Damp mop using a 1:64 dilution (2 ounces per gallon of water) of *N/C No Charge* Static Dissipative Floor Cleaner.
2. Dip mop into the N/C Cleaner solution and lightly wring out mop. Mop 10' x 15' sections.
3. Dip mop into clean water bucket to rinse. Wring water out of mop.
4. Repeat steps one and two.
